Yes, you should borrow at CORE

There are lots of reasons why:

- ∴ **We're faster.** Start the loan process by applying online, faxing the application or visiting us in the branches. Since the decisions are made locally we can get an answer to you quickly.
- ∴ **We're forgiving.** Bad credit—we won't hold it against you. We'll help restore your credit with flexible and fair loan requirements. We're interested in your credit history not your score.
- ∴ **We're cheaper.** Borrow at low rates with no application fees. There are no gimmicks and no surprises.
- ∴ **We're honest.** We won't give you a loan you can't afford and we won't mislead you. We will make sure you understand everything about your new loan.

We are working to improve the CORE experience. New website coming soon!

The next Savasaurus event will be at the Georgia Southern University Museum as we explore the lives of the dinosaurs. The children will enjoy the hands on exhibit "Life As A Dinosaur" where they will not only learn about the dinosaurs, but they can dress in costumes, color and more. Join us on Saturday November 2, 2013 from 10 am to 11:30 am for a fun learning experience. Call us at 912-764-9846 or email savasaurus@corecu.org to RSVP.
